EDUCATION

• Tel Aviv University

Tel Aviv, Israel

Bachelor of Science in Physics and Mathematics; GPA: 4.00

May 2024 - Dec 2027

o Relevant Coursework: Analysis I, Linear Algebra I, Expanded Intro to CS

EXPERIENCE

• Max Planck Institute for Plasma Physics

Munich, Germany

Research Assistant Sep 2024 - Oct 2024

Assisted development of internal tools to assess next generation fusion reactor concepts

• Tel Aviv University

Tel Aviv, Israel

Research Assistant

May 2024 - Present

 Performing simulations to examine, study, and assist design of particle detector for an upcoming particle accelerator

• Max Planck Institute for Plasma Physics

Greifswald, Germany

Research Assistant

Feb 2024 - Apr 2024

• Performed data analysis on plasma profiles and turbulence characteristics in neutral beam injection heating and sensitivity study for transport analysis.

• Institut national de la recherche scientifique

Montreal, Canada

Research Assistant

Oct 2023 - Jan 2024

• Developed a machine learning algorithm to increase x-ray flux from laser wakefield acceleration by real-time correction of optical components

• Tel Aviv University

Tel Aviv, Israel

Research Assistant

Aug 2023 - Oct 2023

- Prepared CAD models and directed preparation for direct laser acceleration from heavy water microjet experiment
- o Assisted PhD student research on intense laser interaction with micro-bars

• Weizmann Institute of Science

Rehovot, Israel

Research Assistant

Jul 2023

- Awarded a full-ride scholarship to participate in international research program at the Weizmann Institute of Science
- o Processed and analyzed experimental data to examine theoretical predictions of ultra-light dark matter
- Summarized research in a scientific paper and presented insights to experts

• Middle East Entrepreneurs of Tomorrow

Jerusalem, Israel

Computer Science Teaching Assistant

Sep 2022 - Feb 2023

- Instructed Python to over 60 high school students to enrich their existing curriculum.
- Facilitated a virtual learning experience by providing mentorship, hosting office hours, and collaborating with team members to create bonding activities

LEADERSHIP & ACTIVITIES

• "Hapoel Beit Dani" Wrestling Club

Tel Aviv, Israel

Wrestler, Team Captain

Oct 2012 - Present

- Competing on national and international level, past Israel national team member.
- Involved in the organization, and motivation of a team of 30 wrestlers.

SKILLS & INTERESTS

- Technical Skills: Python, JavaScript, CAD, LaTeX, Colab Notebooks, Photoshop, Illustrator
- Foreign Languages: Hebrew (Native), English (bilingual), Lithuanian (Proficient), Russian (conversational)
- Interests: Guitar playing, Vinyl collecting, Classical novels, Sustainability, Cycling, Chess
